Services

Web Development

Targeted & Tested... One of a kind designs

This is the Information Age, and now more than ever, a website may be the first exposure potential customers have to your company. Make this first impression a positive and lasting one.

Writing & Editorial Development

Powerful, Professional & Precise

You know what you want to say, but can't find the right words. That's where we come in. No matter what audience you want to reach, 1M Media can craft the editorial content to build a loyal reader base.

Visual Identity Design

Your Vision, A Lasting Impression

If you only had one phrase or one image to explain what your company was all about, what would it be? Make sure your company's vision and goals get through to your target audience. Let 1M Media shape and communicate your corporate identity. We'll show you that "image is everything" is not just a cliché

Advertising & Marketing

Thinking outside of the box

1M Media can create and implement the ideal advertising campaign or marketing plan for your company. With millions of banner-sized billboards littering the Web, shouldn't your advertisement stand out? Call 1M Media and let us market your product or service through high-quality design and meticulous research.

Consulting

Experience Results, The Intelligent Choice

Does your business need growth, marketing strategy, creative support, quality assurance, or to narrow the list of potential creative vendors? 1M Media can help you achieve your organizational goals.
